CERMAN GAINS AT BIACHES ADMITTED BY THE FRENCH

Paris War Office Says Repeated Attacks at the Neighboring Village of La Maisonette Were Repulsed With Heavy Loss.

PARIS. July 16. The Germans! ede on attack tost night on the Powers time anuth of the Homme and gained ground to the visiaity of Blackes, the War Office announced to day. A great hattle still rages of that

The German attack was delivered against the French positions from Blackes to La Maisonette, Several attempts to take La Malsonette failed with heavy loss to the Germans.

Pollowing is the text of the official

'Nouth of the Bomme the Germans attacked yesterday evening and last night our positions from the village of Blackes as for as La Maisonette, Nothwithstanding repeated efforts, which cost them heavy losses, they were not able to obtain possession of La Maisonette. German detachments spread along the canal on the east side of Black-

es, where the fighting continues. "On the left bank of the Meuse (Verdun front) a sur-

at Hill 804 was reputzed by our fin. On the right bank of the river the night was marked by cinity of the chapel of finiste Fine and west of Floury. The enemy was regulard averpwhere. There was active artillery fightfing in the region of La Laufee and Chenots.

"On the remainder of the front caim prevailed through the salght.

President Poincare, accompanied by Gen. Pierre Roques, Minister of War, has spent the last two days in visits to the Meuse and Somme fronts. The trip included a brief step at Verdun and a meeting on the Somme front with Generals Joffre, Foch and Fay-

olic.

In the course of the trip President
Poincare Inspected the former German lines and sections of the ground
scarred by traces of the recent battles
and hombardments. Before leaving he heartily congratulated the troops and

Court Refuses to Accept His Claim That Prosecution Erred in Charge Made.

TREASON VERDICT

CASEMENT LOSES

LONION, July 18 - Without hearor the attorneys for the Crown, the urt of Cryminal Appeal to day disutesed Hir Ruger Consument's approfrom the verdict of the lower court which found him guilty of treasure for which Viscount Reading, the Lord Chief Justice, sentenced him to death. For a day and a half Alexander Bullivan, Mr Roger's counsel, argued before the Court, quoting many authorities in favor of his contention that the offense of treasun depended upon whether the accused dwell under the protection of the King, and that the arime could not be committed outside of the realm. He abandoned his other points in regard to the Lord Chief Justice's definition of he offense. As soon as Mr. Bullivan had con-

cluded his argument, the court retired to consider whether the attorneys for the Crown would be called on to reply. It soon decided to the P. A.
